

SUMIT KUMAR YADAV

Full stack Developer

 9608700215

 sumitkumaryadav9608700@gmail.com

ABOUT ME

I'm a passionate Full Stack Developer with a strong foundation in both front-end and back-end development. Proficient in HTML, CSS, JavaScript, Node.js, and MongoDB. I enjoy building scalable web applications and solving real-world problems through code. I'm currently pursuing a Bachelor of Computer Applications and have a current CGPA of 8. Actively working on full stack projects involving authentication, database integration, and responsive design. Always eager to learn and grow in a collaborative environment.
